

## ***Join the Winnetka Woman's Club***

***On Tuesday, March 18 for  
A HUNDRED YEARS OF WOMEN ARTISTS***

*In a century, women have made enormous strides in acceptance as artists but until fairly recently it was a long struggle for recognition and fair presentation in museums and galleries. Hear their stories, see their works in beautiful color slides presented by art historian Claire Copping Cross. Works of women from the world over will be presented. Included are sculptors: Camille Claudel, Anna Hyatt Huntington, Malvina Hoffman, Barbara Hepworth, Louise Nevelson and Maya Lin and painters: Rosa Bonheur, Berthe Morisot, Mary Cassatt, Romaine Brooks Tamara De Lempicka, Georgia O'Keeffe, Frida Kahlo, Lee Krasner, Elaine Dekooning, Elizabeth Murray and many others.*

*In addition, the Winnetka Woman's Club is happy to display original works by artists of the North Shore Art League in a special two month exhibit. When the club was founded one hundred years ago, art classes were a club activity.*
